

Job: Veoci Business Intern

Veoci is the leader in collaboration, continuity, and response software. Through rapid development, depth of knowledge, innovative thinking, and commitment to diversity, we help save time, money, and lives.

Veoci is currently recruiting for our 10-week Summer Intern Program. In order to be considered, you must be in an undergraduate university program (rising Sophomore, Junior, or Senior). As part of your internship, you will be working with one of our key business areas in which you will be assigned a mentor where you will be exposed to various types of work and projects while collaborating with a number of experienced professionals in our organization.

Duties and Responsibilities:

- High Quality professional day-to-day execution of engagements and special projects
- Shadow multiple office positions and train in a variety of tasks
- Attend company functions and networking events
- Effectively communicate with all levels of staff and external audiences;
- Perform analytical reviews and conduct research on a variety of clients across multiple industries
- Assist in brainstorming and idea planning

Requirements:

- Pursuing a college degree
- Excellent critical thinking and problem-solving skills
- Good written and verbal communication skills
- Detail-oriented with strong organizational skills

Benefits:

- Practical experience with varied business activities at SaaS company
- Shadowing, mentoring, and training opportunities with experienced and accomplished business professionals
- Compensation available
